Tarpon Springs Tour & Lunch

Dating back to the early 1900's when sponges were discovered in the local waters, Tarpon Springs experienced an influx of immigrants from the Dodecanese Islands of Greece who settled here to work in their native industry of sponge diving. As the industry grew, so did the Greek community, bringing its wonderful ethnic flavor, customs and charm with them. On March 24, you will have the opportunity to explore the history of Tarpon Springs.

After departing Saddlebrook by luxury coach, the tour will begin at the **TARPON SPRINGS CULTURAL CENTER** which was built in 1915 as the original city hall and now listed on the National Register of Historic Places.

Next stop is **ST. NICHOLAS GREEK ORTHODOX CATHEDRAL** where you will enjoy a tour of this Magnificent Cathedral including its history, architecture and religion. See the famous weeping Icon of St. Nicholas and hear the story of the miracles surrounding it.

Following the church tour, relax aboard the coach for a drive-by tour of the **VICTORIAN HOMES ALONG SPRING BAYOU** where you will enjoy a narrative by your guide of this scenic waterfront area where many of Tarpon's founding fathers built their beautiful turn of the century homes. Finally, you will enjoy a family style Greek lunch at a local tavern and free time to shop at the Sponge Docks. There are over 100 shops to choose from offering goods and merchandise from all over the world, including sponge and curio shops, abundant Greek cuisine and bakeries!
